

Three Rivers Avian Center

DIRECTIONS

Three Rivers Avian Center is located in Brooks, WV, between Hinton and Sandstone (in the New River Gorge) in Summers County. We are open for free public tours on the first Saturday of May through October from 1pm to 5 pm. All other times are by appointment only.

FROM I - 64: Take exit #139 (Sandstone/Hinton Exit). At the bottom of the ramp, turn left onto Route 20 (towards Hinton) and drive 5.5 miles. On your left will be a dirt road going up the mountain marked by a brown "Wildlife Viewing" sign (brown sign with white binoculars) - this is Brooks Mountain Road (the sign for the road is on the right side of Rt. 20, but the actual road itself is on the left). Turn onto Brooks Mountain Road and follow the signs to the Center!

FROM HINTON: Take Route 20 North out of Hinton. Look for the brown "Wildlife Viewing" sign (brown sign with white binoculars) that marks Brooks Mountain Road. Turn right onto Brooks Mountain Road and follow the signs to the Center!
